Application No. 10/807,187

Applicant respectfully requests that the Examiner consider the listed document

and indicate it was considered by making an appropriate notation on the attached form.

The following is a concise statement of relevance of the non-English language

document listed on the accompanying PTO SB/08 form: The relevance of JP 2001-

294209 is discussed at page 13 of the Specification of the present application.

This submission does not represent that a search has been made or that no

better art exists and does not constitute an admission that the listed document is

material or constitutes "prior art." If the Examiner applies the document as prior art

against any claim in the application and Applicant determines that the cited document

does not constitute "prior art" under United States law, Applicant reserves the right to

present to the office the relevant facts and law regarding the appropriate status of the

document.

Applicant further reserves the right to take appropriate action to establish the

patentability of the disclosed invention over the listed document, should the document

be applied against the claims of the present application.
